EGM Appointed Actuary and Reinsurance - Suncorp

Skills & experience

General insurance executive with 40 years of experience as Appointed Actuary, Chief Risk Officer, and reinsurance leader. Andrew can support you in communication and influence, learning and growth, problem solving, direction and purpose, and commercial acumen.

Andrew Huszczo is a qualified actuary who serves as Executive General Manager, Appointed Actuary and Reinsurance at Suncorp. With over 40 years of experience across all areas of general insurance in both corporate and consulting environments, he brings comprehensive expertise in actuarial governance, risk management, capital modeling, and reinsurance strategy.

Since 2011, Andrew has held the Appointed Actuary role for Suncorp's Australian operations, with responsibility for both capital and reinsurance modeling. He held the same role at Allianz Australia for the previous eight years, demonstrating sustained success in this critical governance position. Since 2021, he has also led Suncorp's Reinsurance function, combining his actuarial and risk expertise to manage the company's reinsurance program and strategy.

Andrew's experience extends beyond traditional actuarial roles. For five years from 2006, he served as Chief Risk Officer for Allianz, giving him broad perspective on enterprise risk management and how actuarial insights inform wider business risk decisions. This combination of Appointed Actuary, CRO, and reinsurance leadership experience positions him uniquely to understand how technical actuarial work connects to strategic business objectives.

Andrew has mentored many people over the years, from both actuarial and non-actuarial backgrounds. He enjoys helping mentees understand the bigger picture and solve practical problems. He has spent many hours discussing career progression and setting career goals with mentees, drawing on his extensive experience navigating various leadership roles. Andrew has been a Fellow of the Institute of Actuaries of Australia for 30 years.
