

Mark Tomlin

Actuarial Integration Lead - Acenda

Skills & experience

Executive leader with 30+ years in business transformation, M&A, and finance across life insurance and wealth management. Mark can support you in strategic relationships, communication and influence, direction and purpose, adaptability, and initiative and drive.

Mark Tomlin is a qualified actuary and executive leader whose career spans more than three decades in the financial services sector, working with global leaders in insurance and wealth management. He currently serves as Actuarial & Finance Lead Integration at Acenda, representing the Appointed Actuary on integration programs and focusing on actuarial and finance integration with Resolution Life.

Mark's expertise centres on establishing high-performing teams and delivering transformative change programs. His career includes senior roles at Resolution Life, where he served as Chapter Lead for Group Insurance & Master Trust and General Manager of Product & Pricing, designing and embedding new teams across all portfolios following the separation from AMP. At AMP Financial Services, he held roles including Deputy Chief Actuary, Head of Product Integration, and Head of Group Risk, leading multiple major initiatives including the AMP/AXA merger integration program. His track record includes pioneering first-to-market product initiatives, leading complex M&A due diligence activities, and shepherding organizations through significant regulatory changes. Mark received the AMP Financial Services CFO Award for Outstanding Leadership.

Mark's approach combines commercial acumen with people-focused leadership. He has built and developed numerous teams throughout his career, coaching and mentoring staff to enhance their capabilities and grow their careers. He has also served in governance roles, including as Chair of the ASFA Insurance Sub-Committee. As a mentor, Mark is passionate about staying connected with the challenges facing actuaries and helping members navigate those challenges through coaching and mentoring. He sees mentoring as a two-way opportunity for growth, helping others while continuing to develop through the experience himself.
