

Antonie Jagga

Partner - PwC Australia

Skills & experience

Insurance consulting leader with expertise in portfolio optimisation, IFRS17/9 implementation, capital management, and net zero strategy. Antonie can support you in strategic relationships, communication and influence, critical thinking, learning and growth, and adaptability.

Antonie Jagga is a qualified actuary who serves as Partner at PwC Australia, leading the Insurance and Actuarial & Financial Risk Modelling practices. He represents Australia within PwC's Global Insurance and Actuarial Leadership teams, driving thought leadership and strategic alignment across international markets.

Antonie brings deep expertise in insurance and financial risk modelling. He has led high-impact engagements in insurance and actuarial strategy, including portfolio optimisation, capital management, and net zero strategy, including the quantification of insurance-associated emissions. He is a recognised leader in strategic finance transformation, having guided multiple insurers and financial institutions through the adoption of new financial standards such as IFRS17 and IFRS9, enhancing their operational resilience and ensuring regulatory compliance.

With a proven track record of leading cross-functional teams and fostering client success, Antonie brings a forward-thinking, results-oriented approach to solving pressing strategic and operational challenges in the financial services sector. His work combines rigorous technical proficiency with strategic business perspective.

Antonie strongly believes in giving back to the profession and its members. He is passionate about supporting actuaries in their professional goals, uplifting the general quality and effectiveness of the profession, and learning from others. His mentoring approach reflects this commitment to mutual growth and professional development.

Antonie is a Fellow of the Institute of Actuaries of Australia and a Fellow of the Institute of Actuaries (UK). He holds an Executive MBA from the National University of Singapore.
