

## Disciplinary Scheme Notice:

### Matter concerning one General Member sitting IFoA Exam.

In late December 2025 the Institute was notified of breaches in educational assessment regulations by eight (8) of its General Members who were sitting their Foundation examinations through the Institute and Faculty of Actuaries (IFoA). The breaches occurred during on-line examinations held by the IFoA. Six of those matters were the subject of an earlier [Disciplinary Notice](#) published in February 2026.

Two members appealed the IFoA Decision. Student 7 has advised the Institute that the appeal was unsuccessful and agreed to accept the imposition by the Institute of comparable disciplinary action.

The primary finding by the IFoA against Student 7 was as follows:

- *disqualified from the September 2025 CS2 examination*

The IFoA reached its decision due to the **student being observed with a mobile phone within reach of the exam desk area.**

In accordance with clause 2.3 of the [Disciplinary Scheme Guidance: Breaches in Educational Assessment Regulations](#) the Institute determined that the Member has engaged in Misconduct and applied comparable Disciplinary Action to that of the IFoA. The Member has accepted the comparable Disciplinary Action which has been recorded on their membership record for a period of 5 years.

The Convenors determined that a Disciplinary Scheme Notice should be published on the Institute's website. The Institute's weekly Bulletin to all Members should refer to the fact that publication of these disciplinary proceeding are available on the Institute's website.
